Chapter 1 by Adam

So, Basically, all you have to do is write a description about yourself. With your details of course :P

Here we go.

I prefer to write Science fiction, fantasy and stories based on games / music. My favourite book genre to read is most definitely Science Fiction, I am proudly a member of the Story Wars Chatroom! Also, one last thing, I am also proudly from a country known as: England, anybody else?

(Hopefully You can write it better than I can.)

Chapter 2 by A_Merry_Kat

Well... I write anything that comes to mind, if I find inspiration, dark, funny, sad, happy, fiction and totally unrealistic or very down to earth "gritty" scenario... I'll write it. As I said, if I'm inspired, I'll write it. I love music, especially dubstep, trance, rock, alt rock... well ok ill be honest

The only songs I don't like are some country and classical. I love games like portal, Minecraft, and am experimenting with league of legends. I hang out with friends really... I love company and friends. I'm in and out of the chat room every few days now. Aaaand I live in the USA, state of Kansas. (I just used the pre-existing chapter as a base for mine, sorry.)

That's pretty much me... other than that I also love to sing and make art stuffs... so sculpt and sketch. I also love to be kind to people so I'll end by saying I hope if you read this boring thing about a nobody THIS far, then I hope you have a wonderful day, night, or afternoon, whichever it may be.

Hope it's wonderful though. ヽ

Chapter 3 by NeedToWander

Hello there, my name is Henry Jayde Callaghan. I'm a massive music fan, ranging from Youtube Artist Aviators to famous band Blur. I write dystopia, sci-fi and memories of myself. If a story by me starts like a diary entry, I base it off myself.

I have started drawing Anthro art myself but I AM NOT A FURRY.

I live in Berwick, England. It is perma-cold and perma-gloomy. AKA England In A Nutshell.

I am knew to this site, so wish me luck!

Chapter 4 by The Harlequeen

Hello, hi, good morning, good afternoon, good evening, good night, greetings, salutations, welcome, howdy, bonjour, namaste, shalom, hey, hiya!

My name is Guineapigfreak (seriously, that's what it says on my birth certificate.) I am 12 and I live in the lovely, if a little gloomy, state of Wisconsin. I'm not actually all that fond of cheese. How ironic. I love to write (and read) fantasy, science fiction, and dystopian. I like to start my stories very vaguely so whoever decides to continue them can take them anywhere they please. Not that a story past chapter 2 happens often. I can't sing, I wish I could.

Jk, my name is Bella. I sure hope no one is actually named Guineapigfreak, that would be a little strange
